HOW BANYAN CAN HELP

At Banyan Treatment Centers, we provide care for everyday people across the Midwest. In partnership with EAPs, labor unions, and employers, we ensure members have access to trusted, evidence-based treatment for substance use and mental health conditions, delivered with compassion, structure, and clinical integrity. Members can begin inpatient treatment at Banyan Heartland in Gilman, Illinois, transition to outpatient care at our Lisle location near Chicago, and continue recovery through Telehealth Intensive Outpatient (IOP) services available statewide across Illinois.
